The RAMS Horn

Monthly Recap

May In Review

Mark your calendars! The RAMS members picnic has been scheduled for **September 21, 2019** with a rain date of Sept. 22.

The club is also looking into offering RAMS shirts for purchase. More info on that will be coming soon.

Also a date to be aware of: The SWARM club will hold a friend fly on August 10, 2019 where the field will be reserved for rotary craft only.

May has been quite a rainy month, and we don't have much to report on. Memorial Day weekend is usually a great time at the field. This year however, Oakwood Road was closed due to flooding for much of the weekend.

Below, future member Amelia McCullough brought in her dad's Phoenix Models Spitfire. It has flaps, mechanical retracts, and is powered by a Saito 72. The ARF is a bargain at about \$150.

Monthly Recap Continued from last page

Jeff Wisneski maidenied his gyrocopter that he build from a kit.

Jeff also got out his Yak for the first time this year.

Tim Sorensen is flying a Phoenix Model Stinson Reliant. Tim has a 3 cylinder gasser up front that has a lot of custom work to it, including the larger cowl.
