**Monthly Recap**

## September in Review

Many club members look forward to September because that is typically when we hold our club picnic and get to see plenty of friends that we may not see during the year. Unfortunately we were not able to hold the event this year. It was actually a pretty windy day anyhow. But the weekend before was very nice and some pictures are on the next page. We had several members flying at the field, which was great to see.

Our new email list, which allows members to broadcast when they are flying or field conditions seems to be working great. If you have not yet signed up for that, I recommend it. You should have received an email from **Jeff Wisneski** on how to sign up.

▼ When life gives you gray skies, fly an orange plane. The picture below was from an unusual day at the field, but **John Gorzyiki's** Carbon-Z Cub SS can be seen with ease.

## At the Field

# A Calm September Saturday

▼ **Dick Cook** flies his T-28 Trojan, which was a gift from his son. This is a great looking warbird!

▼ **John Gorzyki** can really zoom with this Freewing Avanti S EDF and it sounds great too.

▼ **Jeff Kraczek** gets some more flights in on his new FMS Pitts Special.

▼ Another Pitts! **Mike McCullough** got his first flight on this Great Planes Pitts Special.
