Notes from your prez

If you hear from someone that they are not getting this newsletter, Please have them contact me. There are some teething pains getting all of the lists correct. I can't fix what I don't know about.

As you can see from my writing skills we still desperately need a new RAMS Horn editor. I am still looking for volunteers.

I am happy to report that there have been no more shots fired or other vandalism at the field this month. Let's hope it stays that way.

The weather has been good so far this spring and there has not been a lot of water damage to the field.
