Volume 33, Issue 1

The Official Newsletter of the Rainbow Aero Modelers Society

AMA #1264

Operating for public Benefit at the Milwaukee County RC Flying Field
South 70th and West Oakwood Road

With the recent little bits of rain that we had in the last week most of the field has greened up nicely and started to grow again.

Mark and his crew are doing a great job keeping the field cut and rolled as necessary and it is looking pretty good for what its been thru.

Between work and Family issues, I have finally been able to spend some time at the flying field. It sure felt good to spend some time out there and get some flying in.

I also spent some time walking and inspecting the field and there is some damage in the Northeast corner that will need to be repaired. I am looking into options for that.

I hope to see more people out at the field.

So far the 50-50 raffle at the meetings has been doing well. The club is getting some needed income and some members are getting some needed cash.

I have set up a Yahoo Group for the RAMS the name of the group is RAMSRC the web address is;

<http://groups.yahoo.com/group/RamsRC>.

Feel free to go and join up. Joining will give you the ability to post messages to all other members. You can post things like "I'm going flying at x:xx today", this gives others the chance to know they can head out and not be alone, Or you could post a question about a building or setup issue you have and some member can answer to help you out.

You will also get automatic reminders about club meetings, events or any other important information right to your email.

Try it, you might like it!

That's all for now.

Jeff Borowski

Our next meeting is:

Wed, August 1

7pm at

Waterstone Bank
6560 South 27th Street

2012 Officers:

President

Jeff Borowski
