**The Official Newsletter of the Rainbow Aero Modelers Society
AMA #1264**

Operating for public Benefit at the Milwaukee County RC Flying Field
South 70th and West Oakwood Road

If you are getting this newsletter in the mail and you have access to email, please contact me with your email address so that we can save the postage and printing costs. Thanks.

The rain has finally returned and the field has greened up nicely and started to grow again.

Mark and his crew are doing a great job keeping the field cut and rolled as necessary and it is looking pretty good for what its been thru this year.

I have been getting to the field more and have been able to meet and talk with a few members that I had not met before. It is good to see folks out there again.

If anyone has any questions, comments or suggestions on how things are going, please feel free to talk to me, my contact info is on the website and this page of the RAMS Horn, I can not address issues that I am not aware of.

I spent some time walking and inspecting the field and there is some damage in the Northeast corner that will need to be repaired. I am still looking into options for that. If anyone knows someone that has access to a skid steer to move around some dirt, please have him or her contact me.

The 50-50 raffles at the meetings are still doing well. The club is getting some needed income and some members are getting some needed cash. Come to the meeting and join the fun.

I hope to see you out at the field.

That's all for now.
Jeff Borowski

Our next meeting is:

Wed, Setember 5

7pm at

Waterstone Bank

6560 South 27th Street

2012 Officers:

President

Jeff Borowski

414-483-4377
