**The Official Newsletter of the Rainbow Aero Modelers Society
AMA #1264**

Operating for public Benefit at the Milwaukee County RC Flying Field
South 70th and West Oakwood Road

Well for some the flying season is starting to wind down for the year, Some are looking for our winter project to build, or rebuild. The field will be open all winter for the brave soles that still wish to fly.

It is getting to be that time of year again, I will start talking about nominations for club officers. This is something to start thinking about. Nominations do not happen till the December meeting but now is the time to start talking about it.

I spent some time walking and inspecting the field and there is some damage in the Northeast corner that will need to be repaired. I am still looking into options for that. If anyone knows someone that has access to a skid steer to move around some dirt, please have him or her contact me.

The 50-50 raffles at the meetings are still doing well. The club is getting some needed income and some members are getting some needed cash. Come to the meeting and join the fun.

I hope to see you out at the field.

That's all for now.
Jeff Borowski

Our next meeting is:

Wed, November 7

7pm at

Waterstone Bank
6560 South 27th Street

2012 Officers:

President

Jeff Borowski
414-483-4377
