# The RAMS Horn

**Monthly Recap**

## June In Review

**REMINDER:** July 23rd is the SWARM Friend Fly (with a rain date set of July 24). The field has been reserved exclusively for rotor-craft use. You are welcome to participate or just stop by and watch.

Last month, we held our club meeting at the field and **Tim Sorensen**

maidened his Great Planes WACO with a Saito gasser. Second flight, Tim really tore up the sky! It's a well flying plane and has a great power plant to match.

The new signs are up, one by the RAMS gate and the other by the SWARM gate. They look good and should help visitors find the information they need from our website.
