NOVEMBER 2011

Our next meeting is:  
**Wed, November 2nd**  
7pm at  
Waterstone Bank  
6560 South 27th Street

## Better Late than Never...

### Happenings at the Club Meeting

Due to a miscommunication of who opens the meeting room, the October meeting was delayed 6 days. The new business of this meeting was to propose some new ideas into the club by-laws. Jeff Borowski introduced his ideas after some consultation with the County and other members. He proposes to combine the offices of Field Administrator into club Treasurer and combining the club account and field account. The expenses would be separated on the monthly financial statement. This would then separate the current office of Secretary/ Treasurer into just the Secretary. The current separation of the fees of field license and club dues would be combined into one fee that would automatically include a membership with an option to "opt out". The net result is all flyers would pay the same price and if you would like to be involved with the club, it is your choice. Club membership will be indicated by a special marking on the license. The goal of these proposals are to simplify the application processes, increase fellowship between flyers and to reduce paperwork and expenses. Another proposal was to introduce a separate club policy document to record such things as fee amounts, member and officer benefits, and any other documented policies not stated in the by-laws.

A motion to introduce these amendments into the rules and by-laws was made by Alan Borowski and was seconded by Chuck Beauchamp. A club vote will be taken at the November meeting. Use your membership rights and be heard at the next meeting.

### 2011 Officers:

#### President

Tom Ryan  
P.O. Box 1111  
Milwaukee, WI 53201-1111  
414-881-0070  
Tomstomcat@att.net

#### Vice President

Shawn Thomas  
2137 College Avenue #708  
Franklin, WI 53154  
414-737-3979  
Sfthomas@aol.com

#### Secretary & Treasurer

Craig Manka  
7025 Lamberton Road  
Racine, WI 53402

Craigmanka@att.net

#### Safety Coordinator & Field Manager

Chuck Beauchamp  
S63 W15030 Garden Terrace  
Muskego, WI 53150  
414-803-8189  
C7thsign@aol.com

#### Field Administrator

Tom Young  
2247 South 72nd Street  
West Allis, WI 53219  
414-327-4705  
Oneagle2@yahoo.com

## From The Prez!

For many of us, our flying season has come to an end. For some, it was very short. The unusual weather pattern this year was one for the record books.

With the prospect of a new season coming, we'll be looking at electing several new officers to lead The Rams into a productive 2012.

We'll have an opportunity to review our past goals and question our new path of those who'll be the driving force behind the 2012 season, so your attendance in the tuup-coming club meetings will have an impact on those candidates who'll be nominated. Please try to make these last two meetings.

My best wishes go out to you and yours for a wonderful Thanksgiving Day and a safe and warm family gathering.

Take care,  
*The Prez*

Visit the new club website...

The Homepage of [www.ramsrclub.com](http://www.ramsrclub.com)

After a motion, second, and finally a club vote, a new club web site has been designed. We now own the domain name of [ramsclub.com](http://ramsclub.com) and it is being hosted by godaddy.com. Still in its infancy developmental stage, new features and content are being added. A blog is being setup with password protection. Newsletters are being posted, pictures being added with captions, all official club documents, and even a place for newcomers to submit more information on an individual basis. The site is being developed by Craig Manka and he is in need of input and fresh ideas to incorporate. The goal is to make a user friendly, easy to find, interactive, place for members and interested people to go. Please send your comments to CraigManka @ 262-681-9169 or email @ craigmanka@att.net

To date, we have 63 members in the Rainbow Aero Modelers Society. For a complete club roster, contact Craig Manka, the club's Secretary.

## Models of the Meeting...

Steve Ward and his latest electric powered foamie flier.

Earl Evans demonstrating that "yes" his invention even drives safely.

Earl Evans' latest r/c invention. An electric powered foamie surface vehicle. Take notice of the working headlamps...
