Happy Holidays!!!

Our December meeting will bring nominations to the floor and a quick business format. Then, we will gather for fellowship and food. Please bring a dish to pass. Pizzas will be catered in from Toppers and some short films will be played on aviation. Some come to the meeting, and help us close the year.

Changes are Accepted

Happenings at the Club Meeting

One of the benefits of being a club member is having the right to vote. That right was exercised at the meeting over some by-law changes. These new accepted changes are:

- Dissolving the Field Administrator position.
- Separating the Secretary and Treasurer positions.
- Combining the club dues and field license fee into one.

A motion and second were made to apply with the City of Franklin for a 2012 Food Permit for \$25. The application will be completed and submitted by Craig Manka.

A motion and second were also made to donate \$50 to the **Sojourner Family Peace Center** of Milwaukee.

To date, we have 63 members in the Rainbow Aero Modelers Society & 65 field license holders.
For a complete roster, contact the Club Secretary.

Our next meeting is:
