Operating for public Benefit at the Milwaukee County RC Flying Field  
South 70<sup>th</sup> and West Oakwood Road

Well another month is done.

Temps are cooler, trees are turning colors, and the flying is great.

I have been getting out to the field a lot this month.

I have been getting in a lot of flights with my jet.

The field is being kept in great shape by Mark and crew.

I was at the club get together on the 15<sup>th</sup>. There was a good size group of people there. Unfortunately I kind of dropped the ball and did not take any pictures. Oh well, maybe next time. But I was glad to see everyone there.

At the October meeting there will be some discussion about dues that may require a change to the by laws. I hope that many of you can make the meeting to get the best possible input on the desires of the membership.

That's all for now.

Jeff Borowski
