AMA #1264

Operating for public Benefit at the Milwaukee County RC Flying Field
South 70th and West Oakwood Road

Hi all.

The December meeting is almost here.

There will be a little bit of necessary business at the beginning of the meeting.

After that there will be snacks and refreshments and some time to talk.

There will also be a raffle of a special prize.

I hope to see a bunch of you at the meeting.

As required by the Bylaws, nominations for President, Vice President and Treasurer will be accepted at the December meeting. Now is your chance to get involved and shape the future of the club as you would like.

I spent some time walking and inspecting the field and there is some damage in the Northeast corner that will need to be repaired. I am still looking into options for that. If anyone knows someone that has access to a skid steer or other equipment to move around some dirt, please have him or her contact me or get me their contact info and I'll contact them.

The 50-50 raffles at the meetings are still doing well. The club is getting some needed income and some members are getting some needed cash. Come to the meeting and join the fun.

The 2013 Membership application is now posted on the www.ramsrclub.com website. There will also be Membership forms available at the meeting.

I hope to see you out at the field.

That's all for now.
Jeff Borowski
