### Field Report

#### Super!

The field is in great shape, no complaints.

The sides are on the SWARM clubhouse and it looks like it'll be a warm refuge when those winter days put a bite in the air.

Everyone is welcome to use and share the clubhouse, just leave it as you found it,

CLEAN!

### PICNIC

#### Was A Hit!

The club picnic was a Hugh hit this year, lots of flying, eating and just "Plane" fun!

Jeff counted over 45 people in attendance and there were games, prizes and a full day of great weather, couldn't have been a better day.

There were a lot of new faces mixed in with the old and everyone had a really good time.

We should thank those who made it all possible and hope that next years club picnic will even be bigger and better than this years. It's all up to you our super members!

### Elections!

Come December the Rams will have it's officer nominations, so for those of you eager to toss your hat into the political ring, here's your chance to become part of the leadership core.

All of the officer positions will be open and a few others too, not officers but appointed positions like the Newsletter Editor, the December issue will be my last as Editor and I'd invite anyone interested in that to talk with me about becoming editor, some positions have perks, paid membership in the club and in the AMA so it's worth investigating. So join in, be part of the process and club growth.

## ART SCHMIDT passed away at 96!

Life long club member Art Schmidt passed away peacefully surrounded by the love of his life October 21st at 96. Art always had a smile on his face and really enjoyed model aviation, Carol Art's daughter would bring Art to the field in the last few years and help him enjoy his hobby, Carol is and was a super daughter to Art and even chased down a few of Arts off field landings. Art was a multi talented man with so much experience in so many areas that it would take a book to fill to get it all in. So as Art leaves us, we're reminded of our own mortality. As members we need to enjoy our flying friends as Art did, share fun experiences and create good memories, because in the end, all we take with us are those memories. *Rest in peace Art.*

- *Need help with your building project? We're here to help!*
- *Looking for an instructor? We have them, ready and willing to get you started flying, just ask!*
- *Do you have questions on the club? Simply show up at the meeting and ask any questions you like, hopefully the leadership can answer any questions or concerns you have.*
