## FIELD REPORT

### Knock, Knock. Who's There? Summer. Summer Who?

The first day of summer is just behind us. In an unexpected turn of events, repeated days of fog and rain have made flying difficult at times this month. In fact, the Milwaukee Air & Water Show was cancelled both days due to low visibility and unsafe flying conditions (sorry for recommending this last month).

Over the last couple of days, the field has become flooded again along the edges (as seen in these pictures taken on 6/25/14). Likely the water will leave as quickly as it got here, but beware of standing water (and the ducks!). Before the water, though, the field has been great and grass cut low thanks to the lawn cutting equipment getting fixed.

## HOLIDAY WISHES

### Happy 4th of July

The Fourth of July is just around the corner. That means a long weekend, and maybe firing up the BBQ, and taking in some fireworks. Enjoy the show, and have a safe and happy 4th!

FIELD IMPROVEMENTS

# AMA Field Improvements Grant Put to Good Use

To follow up on what was mentioned last month, the RAMS Club was awarded an AMA Flying Field Improvement Grant at the June club meeting. **Bruce Baier**, the associate vice president of AMA District VII, was our guest and presented RAMS president, **Jeff Borowski**, with a check and certificate. Bruce traveled all the way from Oshkosh to make the presentation. Thank you, Bruce, and thank you, AMA!

The effects of the grant are already apparent at the field. On Saturday, June 14, the club held a build day to assemble six additional picnic tables. We had a terrific turnout of club members to help assemble the tables. Things went very smoothly, thanks to **Jeff Borowski** and **Mark Meyrose** pre-cutting and drilling all the wood. A big thank you goes to the following members who helped:

- **Alan Borowski**
- **Jeff Borowski**
- **Bob Glowienka**
- **Mike McCullough**
- **Mark Meyrose**
- **Jerry Muth**
- **Jim Myszewski**
- **Bob Sadowski**
- **Jack Schlinder**

- **Phil Schumacher**
- **Ron Szuta**
- **Tom Young**

SHOW & TELL SELL

## With a Twist

At the June meeting, a relative of a former club member who is no longer able to fly brought in some models wishing to sell them (and others). It's nice to see some interesting designs.

**ANNUAL PICNIC REMINDER**  
 Mark your calendars:  
 The annual RAMS  
 members' picnic is

 It's closer than you think!
