SPECIAL ANNOUNCEMENT FOR NEXT MEETING

Christmas Party

The club will celebrate the upcoming holiday season by having a Christmas party during the next meeting. All members are encouraged to attend and bring a guest, spouse, or significant other. The club will provide subs and drinks (soda and water). If you have some treats or goodies you would like to share, bring them along, too! They will get eaten. There will also be raffle prizes added to the usual raffle from **Mike McCullough's** hometown hobby shop, G&G Hobbies. **If you plan to attend the party, please RSVP by emailing Tom Young by the end of Thanksgiving Day that you are coming and if you are bringing a guest** so he will know how much food to buy. Tom plans to buy everything on Black Friday so the club gets a good deal and so the treasurer's report sounds good. ☺

We will also have some business to take care of at the next meeting—**nominations for club officers**. The officer positions that are up for nomination are: President, Vice President, and Treasurer. If you would like to learn about these positions, take a more active role in the club, and most importantly, give the current officers a relief, please attend the next meeting. We will vote on the nominations at the first meeting in January.

ANNIVERSARY

Rainbow Aero Modelers Society Celebrates 35 years

Did you happen to notice the founded date in the corner of the newsletter or on the website? This month we achieved our 35th anniversary! Thank you to all members who keep the club active and healthy. Over the last few years, the club has maintained about 50 to 60 members – 61 this year. A very special thank you goes out to **Russell Knetzger** for his

involvement in the club’s creation and continued support for all these years. If this anniversary peaks your interest into the club’s history, have you read the article that Russell wrote about five years back? There is a link to it from the club’s main website at the bottom of the page and to the history here for convenience: **www.ramsrclub.com/uploads/History.pdf**.

FIELD REPORT

First Snow Fun

The field conditions have been great all year long! We have a new friend out at the field (pictured at right) who will hopefully keep the geese from turning it into a rest stop. His name is Wile E. He’ll be at the west end of the pits. Stop by and say, “Hi.” He’s friendly.

For you winter flyers, there’s rumors that the SWARM camp will not be heated and closed in this year. So be prepared: Bring your own heat.

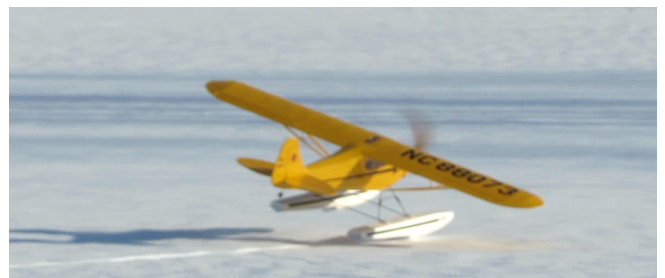

The sky is very congested with all the geese heading south.

A couple of members already took advantage of this season’s first snowfall with skis and floats.

This is **Jeff Wisneski** doing touch-and-goes using only one float. On purpose. Easy as driving a car on two wheels.

AROUND THE AREA

Upcoming Events

There are some big upcoming events. So big they get their own pages.
