REMINDER

RAMS Members Picnic

September is here and our RAMS club picnic is just a couple of weeks away. The picnic is on **Saturday, September 17** with a rain date of Sunday the 18th. All members and their families are invited to attend the picnic.

The club will be grilling burgers and brats.

Condiments, buns, soda, water, and hardware (plates/utensils) will be provided as well. **If you plan to eat, each member is asked to bring a "pass a plate" (recommended) to share with the group** or chip in \$5 per person to offset the cost of the food.

RSVP: To get an idea of the number of attendees, **please email Tom Young at oneeagle2@yahoo.com** with a headcount.

The picnic will start around 10 a.m., with lunch being served around noon. As you know from previous years, Tom and Pam Young do a great deal of work buying food, setting up, grilling, getting lunch lined up, and tearing down. Tom shared with us that he will be recovering from shoulder surgery at the time of the picnic and could use some help. If you have any time to spare before, during, or after the picnic, please let Tom know that you can offer a helping hand.

FIELD REPORT

Fallen Tree Cleanup

The field is looking great as usual, but we had some problems with the road. The storms that passed through on the 19th blew a tree over the driveway. **Mark Meyrose**, **Jim Myszewski**, and **Bob Glowienka** spent several hours cleaning up the mess with chainsaws. As you can see from the size of the tree, this was a big job. Thank you guys!

NEARBY FUN

Bong Float Fly

The MARKS club held their 16th annual float fly at the Bong Recreation Area. Twenty pilots in all showed up for the fun fly; some from the nearby area, others as far as Shebogan. Many aircraft were represented including several ICON A5's, Carbon-Z Cubs, Apprentice, Hanger 9 Carbon Cub, DHC-2 Beaver, and Piper Cub. I personally had a lot of fun as it was my first time flying off water.

FOND DU LAC

Warbirds and Classics

The Fond du Lac Warbirds and Classics celebrated its 10th anniversary this year! If you have ever been to the show, you have probably seen some large, impressive planes. A hobbyist responsible for some of those planes is Carl Bachhuber. Carl scratch-builds large and unusual planes that he likes. This year, he brought a B-36 Peacemaker and a Sikorsky S-43. Carl has an impressive list and pictures of his builds on his website at www.carlb-rcplanes.com.
