Next Meeting:

RAMS Officers Election

At the last meeting, the club held officer nominations for the positions of president, vice president, and treasurer. The current officers were all nominated to stay in their current positions. No one else was nominated. At the meeting in January, we will vote on these positions. Then the newly elected officers will appoint the secretary, safety officer, and newsletter editor. If you have any interest in helping the club in these positions, please attend the next meeting. See you next year.

Happy New Year 2018!

**Renewal Reminder:**

It's that time of year again: Don't forget to renew your AMA membership if you have not done so already.

Also you may bring your application and payment to renew your RAMS membership to the next meeting.

Airbus A350-1000 Visits MKE

Early in December, the newest version of the Airbus A350 was at Mitchell International Airport to conduct several weeks of cold weather testing. We have actually seen the A350 here before two years ago when it was performing a flight demo for the EAA AirVenture in Oshkosh. This aircraft, however, is a larger version.

And again, I speculate, but it is highly probable that the fine folks of Airbus got a chance to do their Christmas shopping in Chicago (especially Gurnee Mills) before they left :)

In the News

FAA Registration Reinstated

We are all suffering from legal whiplash, but this month, the National Defense Authorization Act was signed that included drone registration. This effectively reversed the federal court ruling that said personal drones do not need to be registered. Now, once again FAA registration is a legal requirement to fly model aircraft outdoors. You will need to register again if you received your \$5 refund, and will not have to register again if you did not request your refund.
