At the Field

Lots and Lots of Snow!

Over the past week we have probably gotten a foot of snow at the field. With the mild temperatures, that has given us some decent days for flying. This also means the snow is soft and has not frozen over. So skis are no good right now and pontoons are still the way to go.

It has been lonely at the field, so try to get out there while the weather is still reasonable! We have been keeping the driveway clear and some of the parking lot. We had at least one visitor.

Events

Two Swap Meets in OH

The folks in Ohio are determined to keep swapping and are putting measures in place to safely do so. There are two swap meets in April. One in Toledo and one in Dayton. Both events have doubled their size to allow more spacing.

First, although this isn't the old Toledo Show, it is happening at the same venue. April 9 and 10 at the SeaGate Convention Centre in Toledo OH: <https://toledorcswapmeet.com/>

And next is the Dayton Model O Rama on April 23 and 24 at the Montgomery County Fairgrounds in Dayton OH. They have expanded into a second building this year. Don't forget that Dayton is also home of the National Museum of the US Air Force, which is open 7 days a week and is an awesome experience.
