The RAMS Horn

Event

RAMS Members Picnic

The annual RAMS member and family picnic will be held on **Saturday, September 17th**, with a rain date on the 18th. We will be going back to our normal format, like the good ol' days!

The club will be grilling burgers and brats. Condiments, buns, soda, water, and plates/utensils will be provided as well. If you plan to eat, each member is asked to bring a "pass a plate" (recommended) to share with the group or chip in \$5 per person to offset the cost of the food.

RSVP: To get an idea of the number of attendees, please email Tom Young at oneeagle2@yahoo.com with a headcount by **September 14th**.

We will discuss more details at the next meeting. If you have any ideas for fun and friendly competitions, bring them up at the meeting. See you there!

Monthly Recap

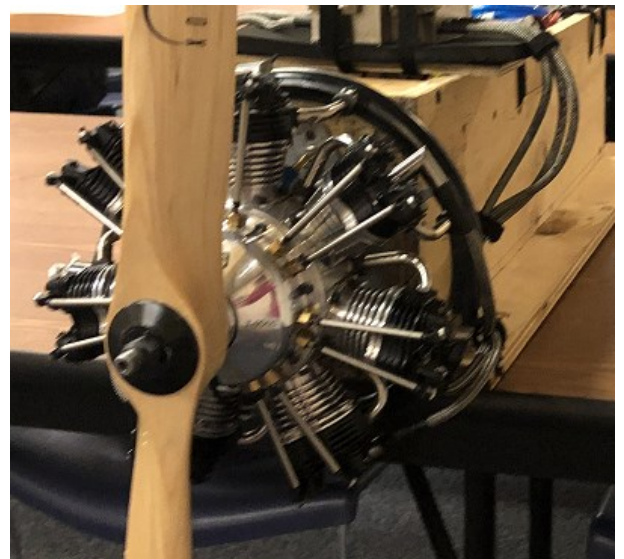

August In Review

At the last meeting, we discussed spam emails asking for gift cards that look like they are being sent by the club officers. Even though they all do a great job, the officers will never ask for this. Please be on the lookout.

◀ **David Lane** is flying his Sig Mayham 3D powered by a 1.20 four stroke glow engine.

▶ **Tim Sorensen** brought in his 7 cylinder radial engine and test stand. This is planned to power the 90" Phoenix Models Waco.

Event

EAA Airventure 2022

Here are some photos from Airventure, specifically the Flight of the Cats: Wildcat, Hellcat, Bearcat, and Tigercat. What an awesome display of Naval aviation!
