Monthly Recap

July In Review

Hope everyone is enjoying the summer and getting plenty of flying in! Last month, the SWARM club held their annual fun fly. There were also airshows in Milwaukee and Oshkosh. Some photos from these events are in the newsletter. At the field, **Doc** is ready to launch his Corsair.

What's Flying in July

Mike McCullough maidenied the new Avanti V2 80mm EDF from Motion RC. It handles the grass and flies like its on rails.

Tim Sorensen is flying his Phoenix Models 20cc Stinson Reliant. The 3 cylinder engine sounds amazing! I wish you could hear it through the newsletter.
