

The RAMS Horn

Monthly Recap

September in Review

If you're wondering where has the year gone, I'm with you. Time to pull out the Halloween decorations and buy some pumpkins from the store. Though the first week of October felt more like summer with several days in the 80's. Don't put away your planes yet.

Hopefully there is still more nice fall days ahead.

After about 3 days of rain, the field had some flooding, but most of the water has receded now and the field is very usable. The grass thinks it's spring time and has been growing like crazy. Thanks to **Bob Glowienka** for taking great care of the field!

We held our annual club picnic last month, which was a huge success with great weather and lots of friends. More on that next.

Lastly an update on Remote ID: Due to the lack of remote ID broadcast modules available on the market and the backlog of approving FFA Recognized Identification Areas (FRIA), the FAA has moved the remote ID enforcement date to March 16, 2024. The RAMS field is an approved FRIA. So you do not need a broadcast module to fly here.

RAMS Members Picnic

Our picnic was held on September 16th and it was a great day for some flying!

A huge thank you goes out to **Tom and Pam Young** for grilling all the burgers, brats, and hot dogs, **Tim Sorensen** for bringing the drinks, and **Bob Glowienka** for all the prep work done at the field.

At the September meeting **Mike Schmitz and family** donated 5 planes and accessories to the club. These planes were raffled off to members and guests. The very happy winners are:

Jeff Borowski - low wing Pandora

Kenny Vis - high wing Pandora

Diane MacDonald - Apprentice

Tad Johnson - Twin Otter

Bob Glowienka - P-51 Mustang

By the time the picnic was over, we did get some rain. Here's the last picture of the day.

Event

Picnic Pictures

Tony Kapalczynski did a stellar job flying his SebArt Pilatus Pc-21.

Tad Johnson claims his prize during the raffle.

Thanks again to **Mike Schmitz** and family for the donation to the club. The prizes are ready for the raffle.

Tim Sorensen brings his Great Planes Waco in for a landing.
