Obituary

Larry Johnson

Our good friend and long-time club member Larry Johnson passed away at the end of November at the age of 77. Like a couple of our members, Larry would spend the winter months in warm and sunny Florida. The last couple of years though, he braved the winter and stuck around in Wisconsin, so we got to see him even more. Every conversation was genuine and with great kindness and that will be truly missed.

Reminder:

Please renew your AMA membership if you have not done so already. You need to have AMA coverage for all of 2024 to be able to apply or renew your RAMS field license.
