**Monthly Recap**

## February in Review

Even with an extra day in the month of February (leap year 2024!), the month still flew by quickly. We have had a few nice days though. Could spring be here?

It was mentioned at the last meeting that **Greg Dake** made a donation to the club along with his yearly dues. Thank you Greg!

Also, thanks again to **Mike St. John** for taking drone pictures of the field after the heavy rainfall on March 4th. As you can see, not much field is left, but it should hopefully drain soon! We are totally getting spoiled with these pictures :)
