July in Review

We discussed at the last meeting an increase amount of trash being left at the field, like rubber bands, zip ties, or broken props. Please help keep the field clean by taking your trash with you. Thank you!

We had our SWARM Friend Fly this month with 11 people taking part in flying their helicopters at the field on a perfect day.

The Frece Tricolori, Italy's national air demonstration team visited Milwaukee flying their Aermacchi MB-339A's.
