# The RAMS Horn

**Proposed Bylaws Change**

## Officer Dues Reimbursements

At the last meeting, we discussed changing the club bylaws to specify the reimbursement of dues for the elected club officers. We have been doing this for a number of years, but it was not officially in the bylaws. We will vote on this at the next meeting.

The proposal is to amend the following sentences at the end of the paragraphs listed below:

1. "The President shall be reimbursed for yearly RAMS membership dues upon successful election at the January club meeting" - amended to the end of Article 4.1 section A.
2. "The Vice-President shall be reimbursed for yearly RAMS membership dues upon successful election at the January club meeting" - amended to the end of Article 4.1 section B
3. "The Treasurer shall be reimbursed for yearly RAMS membership and AMA (Association Of Model Aeronautics) dues upon successful election at the January club meeting" - amended to the end of Article 4.1 section C

## Monthly Recap

## February in Review

We had a pretty wild month of weather from no snow to snow and back to no snow again. Here are some pictures from the field.

**David Gonzalez** brought out some models that he picked up from the swap meet in Janesville. The Junkers Ju 52 is pretty cool that is only has one motor and props on the wings are just dummies that spin in the wind.
