**Full Scale**

## Countdown to Oshkosh

Back in the air! After a decade in storage, the Military Aviation Museum in Virginia Beach, VA has restored its replica Messerschmitt Me 262 back to flying condition. Its first flight was on March 29th and they are working on another “Only in Oshkosh” moment for 2025. This is one of the few aircraft types that have not made an appearance at EAA Airventure. The replica Me 262 was scratch built using plans that were created during the restoration of an original Me 262. Of course this plane has modern GE J85 CJ610 engines, which are much more reliable than the originals. Hopefully progress continues and the Me 262 will visit Oshkosh this summer.

## AROUND THE AREA

## Upcoming Events

04/04/2025 - 04/05/2025

Toledo RC Swap Meet

**Valley City RC Club**

Toledo, OH

[toledorcswapmeet.com](http://toledorcswapmeet.com)

## Monthly Recap

## March in Review

Please save the date for our following club events:

- July 19 (rain date the 20th) **SWARM Fun Fly** (rotorcraft only)
- September 13th (rain date the 14th) **RAMS Members Picnic**

March was a pretty slow month for flying and events. The West side of the field has been pretty wet all month. Thanks to **Tim Welch** and **Mike St. John** for taking some aerial pictures at the field this month.
