**In Remembrance**

## Jerry Muth

Long time member of the RAMS club, **Jerry Muth** passed away at the age of 84 this April. Jerry had broad interests in his hobbies, starting out with control line and model boating. Later, he moved into RC planes and helicopters as well as having a full size plane. Jerry worked as a machinist for 44 years at the Oilgear Company that made large hydraulic pumps. Thanks to **Bill Geipel** for handling the sale of Jerry's planes and helicopters.

## Monthly Recap

## April in Review

The field is looking good for this early in the spring. **Bob Glowienka** has been cutting and rolling the dry spots.

**Dave Gonzalez** and **Mike McCullough** both had their E-flite Carbon Z T-28's at the field and tried to fly close together. We will have to keep working on that, but it was a lot of fun.
